So it was determined in the negative.

Mr. Quynn, from the committee, brings in and delivers to the speaker the bill to regulate public ferries, as amended; which was read the first time and ordered to lie on the table.

Mr. Turner, from the committee, brings in and delivers to the speaker the following report:

THE committee to whom was referred the petition of the corporation of George-town, report, that they have taken the same into consideration, and are of opinion that the several facts therein stated are true, and that the several things prayed for ought to be granted, except the vesting the right of the county wharf in the corporation, this the committee are of opinion would be an improper interference of the legislature, but as it is stated, and the committee believes with accuracy, that the said wharf is at this time, and for a considerable time past has been, in a ruinous state, and that it will, if suffered to remain in its present situation, operate to the injury of that part of George-town; the committee therefore are of opinion, that the levy court of Montgomery county ought to be authorized and directed to assess and levy on the said county a sum of money to repair the same, or to dispose of the right of the county therein, at their option, stipulating, in case of sale, that the wharf shall be repaired.

By order,

J. F. HARRIS, clk.

Which was read.

Mr. Shriver, from the committee, brings in and delivers to the speaker the following report:

THE committee to whom was referred the petition of Richard Butler, of Frederick county, report, that they have taken the same into consideration, and the allegations therein stated appearing to be true, are of opinion that the petitioner is entitled to depreciation of pay as deputy-quartermaster of Frederick-town from the sixteenth day of April, seventeen hundred and seventy-eight, to the fifteenth day of March, seventeen hundred and eighty; they therefore recommend the following resolution:

RESOLVED, That the treasurer of the western shore pay to Richard Butler, or order, the sum of £. 52 7 10½, being the amount of the depreciation due him on his pay as deputy-quartermaster at Frederick-town.

By order,

J. S. BETTON, clk.

Which was read.
